

Sudden Cardiac Arrest

- **AB379 Concussion and Sudden Cardiac Arrest Prevention Protocol (2020)**
This law extends the protocol introduced in AB1639 to community youth sports programs, with the addition that sports officials (referees, umpires, etc.) and administrators also take mandatory Sudden Cardiac Arrest prevention training. This law applies to an organization, business, non-profit entity, school or local governmental agency that sponsors or conducts amateur sports competitions, training, camps or clubs for those under 18.

The screenshot shows the website for the Eric Paredes Save A Life Foundation. The header features the organization's logo and a navigation menu with items: About, Programs, Get Screened, Volunteer, Get Educated, Resources, SCA Law, Donate, 5K, and Contact. The main content area is titled "Register to Take the Training" and includes a paragraph about California law mandating training for coaches and administrators. Below this are four bullet points detailing the training's benefits: it takes 20 minutes, provides a downloadable certificate, allows for logging back in, and helps protect young athletes. To the right is a promotional image for "Sudden Cardiac Arrest Prevention Training" featuring a stadium and a sign that says "KEEP THEIR HEART IN THE GAME". A red banner at the bottom of the image reads "FOR COACHES, SPORTS OFFICIALS AND ADMINISTRATORS".
