5TH ANNUAL BRADLEY ROFER MEMORIAL TOURNAMENT

This tournament was started in 2022 to bring together a few of Bradley's favorite things: baseball and caring for others. Join us in continuing his mission to take care of children in the community!

ABOUT BRADLEY AND THE FOUNDATION

Bradley, at the age of 6, founded a successful flower business, **Bradley's Beautiful Bouquets**. Bradley used all his profits from his clever fundraising ideas to raise thousands of dollars for sick children in the community.

Bradley Rofer, at 8 years old, was tragically struck by a vehicle on his way to school.

The **Bradley Rofer Foundation** is a nonprofit organization founded in October 2022 in Orange County, California. The team is lead by a team of compassionate community members devoted to keeping alive the legacy and memory of Bradley.
